The Diocesan Group for the Ministry of Healing is running an introductory day for our deanery at Clifton Church Hall on Saturday 19 September, to encourage, teach and offer an opportunity to experience this ministry. To find out more and book a place, please contact the Revd Anne Hindle. There is no charge for the day, although donations will be welcome to cover costs of hiring the church hall. Please bring a packed lunch.

The Church Hall Committee was pleased that our Grant Application No. CFG 0315 1 for the total sum of £3,265 to the Windfarm Community Fund has been approved. The application was for the modernisation of the Church Hall heating pipework, thermal insulation, fire safety and access. The Grant was approved under the energy conservation, energy efficiency and community engagement criteria. The heating pipework, fire safety and access work has already been carried out and it is expected that the thermal insulation work will be carried out by early November 2015. The Committee's thanks have been formally sent to the Parish Council for their help, guidance and assistance with this successful Grant application.
